Cable Storage Racks & Dispensers

Product Description

The compact X-BOARD - XB300 is a universal professional cable winder/unwinder for all small to medium cable reels.

The XB300 impresses with its small, light and flat design, but can still be loaded up to 300 kg.

Especially suitable for damaged cable drums.

It enables trouble-free and rational working without tangled cables.

6 rubberised feet ensure a non-slip and stable base. Optimal for protecting surfaces for already finished floor coverings.

Due to the removable mandrel, cable drums with different hole sizes can be used.
