

C12 BL2-0 | M12™ plumb bob laser

- The first box laser on the market to integrate a power tool battery increasing the versatility and usage in conjunction with other tools in the range.
- Increased accuracy over manual methods with levels of 0.2 mm per meter.
- Automatic levelling to ± 0.2 mm per meter increases speed and accuracy.
- High strength magnets located on the rear of the unit for use with metal stud work and tracking.
- Out of level indicator: laser dot will blink to demonstrate that it is out of level by ± 4 degrees.
- Easy use one button operation.
- Flexible battery system: works with all Milwaukee® M12™ batteries.

	C12 BL2-0
Accuracy	± 0.2 mm over 1 m
Battery pack capacity (Ah)	–
Battery type	Li-ion
Charger supplied	–
IP protection class	IP 54
Laser classification	Class 2
No. of batteries supplied	0
Range (m)	30
Standard equipment	Carrying pouch
Supplied in	Tool bag
Voltage (V)	12
Weight (kg)	0.4
Weight with battery pack (kg)	0.6
